<p>Thank you for giving us the opportunity to introduce our company to you. We are a prime supplier of Japanese Akoya, South Sea, and Tahitian Cultured Pearls, as well as, a manufacture of fine finished diamond, colored stone, and pearl jewelry.</p> <p>Founded in 1983, ASBA has quickly proved to be a guiding force in the U.S. marketplace with fine quality goods at exceptional prices. Our lineage in the cultured pearl business can be traced back to Kobe, Japan in the mid 1950's, where Mr. Israileff's father helped found the first foreign understanding of the Cultured Pearl Industry and how it can benefit the retail jeweler.</p> <p>To compliment our incredible pearl selection, in 1990 and 1997, we acquired two major manufacturers of fine 14 and 18 karat colored stone and diamond jewelry. ASBA based in Sarasota, Florida, operates from a 10,000 square foot manufacturing facility, purchased in 1993. This allows us direct control over quality while keeping manufacturing costs low.</p> <p>Offering our customers designer styles priced well below our "name brand" competition is our commitment; giving retailers the opportunity to make greater margins is their reward. Understanding the driving forces behind successful retail operations, sales, and profit margins, we at ASBA strive to find ways of helping you achieve your goals. We work to provide the right product mix with the right terms based on our customers' individual needs.</p> <p>As members of the American Gem Society and the American Gem Trade Association, you can look to us with confidence in providing you with your inventory needs. Outstanding quality merchandise, professional customer service, and with our knowledgeable sales force, ASBA has the resources to serve you.</p>	<p>Web site asbaanddangler.com</p> <p>Sales/Orders 1-800-824-9148 sales@ asbaanddangler.com</p> <p>General inquiries 1-941-366-3887 webmaster@ asbaanddangler.com</p> <p>Fax 1-941-366-4027</p> <p>Mailing address ASBA & Dangler Designs, Inc.
